Resolution n°6

UNITAID Strategy 2013 -2016

Further to Resolution 5 of EB15 on the review of process of the Strategy, the Secretariat has developed the strategy in accordance with the Board's request.

The UNITAID Strategy 2013-2016 builds on six years of experience and the findings of the Five-Year Evaluation. It sets the direction for its next phase of evolution. It reaffirms UNITAID's mandate, lays out its medium-term goals and defines the strategic actions it will put in place over the period to maximize its effectiveness in pursuing its mission.

The Executive Board congratulates the Secretariat for the major improvements that have been made in the strategy document over the short time period since the Board retreat in Evian in November 2012.

The Secretariat under the supervision of the Chair of the Policy and Strategy Committee is to focus on the finalization of the UNITAID Strategy 2013-2016 in light of the comments received from the Board. The PSC shall recommend the revised Strategy to Board for approval by end March 2013.
