21th Session
11 - 12 December 2014
WHO Headquarters, Salle B

Resolution n° 10

Secretariat Functional Organisation Structure

The Board approves the proposed Secretariat functional organisation structure as presented by the Executive Director and acknowledges that roll out of the structure in 2015 will not lead to expenditure in excess of the 2015 Board-approved Staff budget of \$15.2M. The Board recognizes the urgent need to implement the structure in order to create stability within the Secretariat and urges the Executive Director to work closely with WHO to implement the necessary changes in accordance with applicable WHO staff rules and regulations. The Board requests the Executive Director to provide an update on the implementation of the structure at the 22nd Executive Board Session.
