

Resolution n° 11-2017-e

Costed Extension of the ACCESS-SMC project

Recalling Unitaid Board Resolution EB19/SSP/2017/R8 of 5 May 2014 in which the Board approved the commitment of up to US\$ 67,434,637 for the project entitled “Achieving Catalytic Expansion of SMC Services in the Sahel to Save Lives (ACCESS-SMC)” (the “Project”) implemented by Malaria Consortium for a three-year period;

Acknowledging the achievements of the Project and the need to ensure its smooth close out, including a third and final malaria prevention campaign;

The Board authorizes, subject to the availability of funds, the Executive Director to commit an additional amount of up to US\$ 800,000 for a six month extension of the Project, subject to the signature of a legal agreement between Malaria Consortium and Unitaid.

Lead Organisation: Malaria Consortium

Project Duration: 1 September 2017 – 28 February 2018 (six months)
