

## Resolution n° 12-2018-e

### Catalytic Long Lasting Insecticidal Nets (LLIN) Initiative

Recalling Unitaid Board Resolution n°3-2018-e in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full draft grant agreement package for the proposed Project “Catalytic Long Lasting Insecticidal Nets (LLIN) Initiative” submitted by the Innovative Vector Control Consortium (“the Project”); and

Noting the alignment of this Project with the Board approved Area for Intervention: “Accelerating the adoption of innovative vector control tools”; and

Acknowledging the principle of equal co-financing for this project by Unitaid and the Global Fund, and that the Global Fund intends to commit an amount of up to US\$ 33,000,000 for the Project (the “Co-Financing Amount”);

Subject to the availability of funds and a formal commitment by the Global Fund to make the Co-Financing Amount available, the Board authorizes the Executive Director to commit to the Project an amount equaling the Co-Financing Amount, being up to US\$ 33,000,000.

Funding is conditional upon signature of the grant agreement between Unitaid and the Innovative Vector Control Consortium.

Lead Organization: Innovative Vector Control Consortium

Target countries: Year 1: Benin, Burkina Faso, Mali, Mozambique and Rwanda. Years 2 and 3 countries to be determined in line with the milestones in the Project Plan.

Project Duration: 53 months (4 years and 5 months)

Marta Maurás  
Chair of the Unitaid Executive Board

Date: 30 August 2018
