

UNITAID Executive Board

21st Session

11 - 12 December 2014

WHO Headquarters, Salle B

Geneva, Switzerland

Draft Resolution n° 12

**Market Intervention to Accelerate Uptake of
New Vector Control Tools**

Having considered the proposal *Market Intervention to Accelerate Uptake of New Vector Control Tools*, submitted by Innovative Vector Control Consortium (IVCC);

Taking into account the alignment of this proposal with UNITAID's Strategic Objective 6 on malaria prevention;

Taking into account the outcome of the PRC review, of 11-12 November 2014; and

Noting the importance of vector control in the prevention of malaria and particularly the urgent need to implement strategies to combat insecticide resistance;

The UNITAID Board invites IVCC to submit a revised proposal addressing the issues raised by the PRC during its review.
