

Resolution n°13-2018-e

Go ahead for the development of an agreement with EJAF to co-finance a Demand Creation Campaign and Challenge Fund for HIVST

With reference to the Area for Intervention: “Expanding access to HIV self-testing in LMICs”, as approved by the Executive Board in Resolution EB26/2016/R4;

The Board acknowledges the Demand Creation Campaign and Challenge Fund for HIVST, proposed to Unitaid as a potential co-funded program by the Elton John AIDS Foundation (EJAF) and Children’s Investment Fund Foundation (CIFF) (“the Program”) and notes the complementarity of this proposed Program with Unitaid’s existing grant portfolio on HIV self-testing.

The Executive Board therefore authorizes the Secretariat to go ahead with the development of a co-funding agreement with EJAF, for an amount of up to USD 1,500,000, to co-finance the Program together with EJAF and CIFF, for subsequent submission to and approval by the Board.

This decision has no funding implications.

Chair of the Unitaid Executive Board
