

Resolution n°13-2022-e

TRANSFORM: Increasing equitable access to tranexamic acid to reduce deaths from postpartum haemorrhage Project

Recalling Unitaid Executive Board Resolution n°11-2021-e of 28 June 2021, in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full grant agreement package for the proposed project '*TRANSFORM: Increasing equitable access to tranexamic acid to reduce deaths from postpartum haemorrhage Project*' (the "Project");

The Executive Board now authorizes the Secretariat to commit up to USD 12,417,840 for the Project, subject to availability of funds.

Funding is conditional upon signature of the grant agreement between Unitaid and the London School of Hygiene and Tropical Medicine.

Lead Organization: London School of Hygiene and Tropical Medicine

Project Duration: 4 years and 4 months
