

Resolution n° 15-2020-e

Partnership between Unitaid and FIND to co-fund investments in “Driving equitable access to fit-for-purpose antigen-detecting rapid diagnostic tests for COVID-19”

Recalling Unitaid Executive Board Resolution n°3-2020, in which the Board approved the use of a bridge funding mechanism to fund new COVID-19 investments, together with Resolution n°4-2020 in which the Board approved the process to manage new COVID-19 investments; and

Acknowledging the recommendations of the Secretariat and the Programme Review Committee;

The Executive Board authorizes the Executive Director to commit funding of up to USD 10,000,000 for disbursement to FIND from the Unitaid ACT-A Bridge Funding Mechanism to co-fund investments within the proposed partnership between Unitaid and FIND entitled “*Driving equitable access to fit-for-purpose antigen-detecting rapid diagnostic tests for COVID-19*”, subject to availability of funds.

Lead Organizations: Foundation for Innovative Diagnostics (FIND) and Unitaid

Project Duration: 1 year

Funding is conditional upon signature of a formal partnership and co-funding agreement between Unitaid and FIND.

Marisol Touraine
Chair of the Unitaid Executive Board
