

Resolution n° 16-2022-e
DRIVEDX4TB: Accelerating Tools to Drive Tuberculosis Detection

Recalling Unitaid Executive Board Resolution n°18-2021-e of 14 September 2021, in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full grant agreement package for the proposed project '*DRIVEDX4TB: Accelerating Tools to Drive Tuberculosis Detection*' (the "Project");

Acknowledging the recommendations of the Secretariat and the Proposal Review Committee, the Executive Board authorizes the Executive Director to commit up to USD 15,900,000 for the Project, subject to the availability of funds.

Funding is conditional upon signature of a legal agreement between Unitaid and the Foundation for Innovative New Diagnostics (FIND).

Lead Organization: FIND

Project Duration: 4 years
