

Resolution n°18-2023-e

Additional contribution from the Republic of Korea

Acknowledging the Republic of Korea's offer to contribute US\$ 10,000,000 (ten million US dollars) specified for ACT-A investments to help countries shift from an acute COVID-19 response towards a long-term preparedness response;

Noting that the proposed contribution can therefore be used to support Unitaid's work on Pandemic Prevention, Preparedness, and Response (PPPR), which is one of Unitaid's Programmatic Priorities under the 2023-2027 Strategy;

Recalling the Guiding Principles and Criteria for Additional Contributions, presented at the 20th meeting of the Policy and Strategy Committee (UNITAID/PSC20/2018/4/REV1);

The Executive Board is satisfied that the Republic of Korea's proposed contribution is aligned with the Guiding Principles and meets the criteria therein.

Accordingly, the Executive Board welcomes the proposed contribution and instructs the Secretariat to undertake any necessary administrative arrangements to accept the funds.
