

Resolution n° 20-2017-e

Catalyzing pediatric TB innovation (CAP TB)

Recalling Unitaid Board Resolution n° 17-2016-e, in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full grant agreement package for the proposed Project Catalyzing Pediatric TB Innovation (CAP TB) submitted by Elizabeth Glaser Pediatric AIDS Foundation (EGPAF) (“the Project”);

The Executive Board authorizes the Executive Director to commit up to USD 36,346,541 for the Project, subject to availability of funds.

Funding is conditional upon signature of the grant agreement between Unitaid and EGPAF.

Lead Organisation: EGPAF

Project Duration: 2017-2021 (Four years)

Celso Amorim
Chair of the UNITAID Executive Board

Date: 4/10/17.
