

Resolution n°2-2023-e

Additional contribution from Canada

Noting Canada's offer to contribute CAD 25,000,000 (twenty-five million Canadian dollars) to support Unitaid's work on equitable access to medical oxygen through market interventions to increase supply, the adoption of oxygen innovations and investments in sustainable delivery models, with the aim of increasing the capacity of national oxygen systems and enabling national health systems to treat chronic respiratory conditions, such as COVID-19; and

Recalling the Guiding Principles and Criteria for Additional Contributions presented at the 20th meeting of the Policy and Strategy Committee (UNITAID/PSC20/2018/4/REV1).

The Executive Board is satisfied that the additional funding pledged by Canada is aligned with the Guiding Principles and meets the criteria therein. The Board therefore welcomes the offer of additional funding from Canada and instructs the Secretariat to undertake any necessary administrative arrangements to accept the funds.
