

## Resolution n°5-2024-e

### **Go-ahead for the development of grant agreement packages on *Catalyzing Adoption of an Expanded Vector Control Toolbox to Fight Malaria* for proposed projects with Swiss Tropical and Public Health Institute, and Centre for Research in Infectious Diseases, Cameroon**

With reference to the Area for Intervention: **Accelerate adoption of innovative vector control tools** as approved by the Executive Board in Resolution EB23/2015/4; and

Taking into account the project proposal assessments by the Joint Review Committee, the Executive Board authorizes the Secretariat to *go-ahead* with the development into draft grant agreement packages for subsequent submission to and approval by the Board, of the following proposed projects:

1. CONVINCE: Country operationalized novel vector control interventions for malaria (Swiss TPH);
2. CANVeCT: Catalyzing the Adoption of a Novel Vector Control Toolbox (CRID);

The Board recalls that, in accordance with Resolution EB22/2015/R3, the Secretariat may now use the Project Preparation Facility to support the effective development of the grant agreement packages for these proposals. This decision has no other funding implications.

A handwritten signature in blue ink that reads "Marisol Touraine".

Marisol Touraine  
Chair of the Executive Board
