

UNITAID Executive Board Meeting
22nd Session
3-4 June 2015
Fiocruz Headquarters
Rio de Janeiro, Brazil

Resolution n° 5

**Area for Intervention: Enabling scale-up of PrEP
and linkage to test**

Having considered the analysis presented by the Secretariat during EB22, the Executive Board supports the need for UNITAID to focus strategically on "Enabling scale-up of pre-exposure prophylaxis (PrEP) and linkage to test", with a view to securing a substantial impact on the Global Goals for access to HIV/AIDS preventatives.

The Executive Board requests the Secretariat to launch calls for proposals within this area of intervention and to present progress on implementation to the PSC.

The Board's endorsement of this area of intervention has no budgetary implications.
