

## Resolution n° 7-2017-e

### Preparedness for the Rollout of Effective HIV Prevention among Key Affected Populations in Brazil, Peru and Mexico

Recalling Unitaid Board Resolution R3-2015-e in which the Executive Board provided its go-ahead for the development by the Unitaid Secretariat of a full draft grant agreement package for the proposed Project 'Preparedness for the Rollout of Effective HIV Prevention among Key Affected Populations in Brazil, Peru and Mexico' submitted by the Fundação para o Desenvolvimento científico e tecnológico em saúde (FIOTEC) ("the Project"); and

Noting the alignment of this Project with the Board approved Area for Intervention: 'Enabling scale-up of Pre-exposure Prophylaxis (PrEP) with linkage to HIV testing';

The Board authorizes, subject to availability of funds, the Executive Director to commit a project budget ceiling of up to US\$ 26,355,192. This amount comprises a new funding commitment of US\$ 21,004,321, together with US\$ 5,350,871, which was previously committed by the Board under Resolution R9-2016-e, for the Brazilian component of the "PrEP for adolescent MSM project". The amount of US\$ 5,350,871 is hereby removed from the approved budget ceiling for the "PrEP for adolescent MSM project" and is added to the approved budget ceiling for the Project, with a view to the activities for which it was initially committed also being transferred and implemented within the Project.

Funding is conditional upon signature of the draft grant agreement between Unitaid and FIOTEC.

**Lead Organisation:** FIOTEC
