

## Resolution n° 8-2019-e

### **“Rapid, comprehensive targeted gene sequencing solution for drug-resistant TB diagnosis in LMICs” Project**

Recalling Unitaid Executive Board Resolution n°15-2018 of 22 October 2018, in which the Board provided its go-ahead for the development by the Unitaid Secretariat of a full grant agreement package for the proposed Project ‘*Rapid, comprehensive targeted gene sequencing solution for drug-resistant TB diagnosis in LMICs*’ (the “Project”);

The Executive Board now authorizes the Secretariat to commit up to USD 14,457,862 for the Project, subject to availability of funds.

Funding is conditional upon signature of the grant agreement between Unitaid and Foundation for Innovative New Diagnostics (FIND).

**Lead Organization:** Foundation for Innovative New Diagnostics (FIND)

**Project Duration:** 3 years

Marta Maurás  
Chair of the Unitaid Executive Board
