

## Resolution n° 9-2020-e

### **Go-ahead for the development of a grant agreement package on *Intermittent Preventive Treatment in infants* for a proposed project with Population Services International**

With reference to the Area for Intervention: “**Malaria Chemoprevention**”, as approved by the Executive Board in Resolution EB33/2020/R3; and

Taking into account the project proposal assessment by the Joint Review Committee, the Executive Board authorizes the Secretariat to go-ahead with the development into a draft grant agreement package, for subsequent submission to and approval by the Board, of the project entitled “Intermittent Preventive Treatment in infants – Plus (IPTi+)”, submitted by Population Services International (PSI).

The Board recalls that, in accordance with Resolution EB22/2015/R3, the Secretariat may now use the Project Preparation Facility to support the effective development of the grant agreement package for this proposal. This decision has no other funding implications.
