

**RESOLUTION n°6**

**UNITAID Executive Board meeting**

**May 7 and 9, 2007**

***Partnership with the Islamic Development Bank***

The Executive Board takes note of the proposal of partnership between UNITAID and the Islamic Development Bank.

The Board stresses the political scope of this proposal and requests that UNITAID Secretariat further develop the proposal for partnership with the Islamic Development Bank, with the objective of obtaining a multi-year financial commitment from the Islamic Development Bank, ensuring that such contribution will be in compliance with UNITAID strategic orientations and principles, particularly with regard to the provision of support towards patients suffering from the three pandemics, malaria, tuberculosis and HIV/AIDS.

The Board will examine the development of this partnership during its next meeting.
